SENATOR KENNEDY: Mr. Speaker, do we need unanimous consent or..

CLERK: You need 30 votes.

SENATOR KENNEDY: We need 30 votes. That sounds...I would ask for the suspension of the Rules, oh, no...

CLERK: Just 30 votes.

SENATOR KENNEDY: Oh, just 30 votes. I would simply, then, ask for 30 votes to introduce this bill of the Health and Welfare Committee.

PRESIDENT: Any discussion on the motion.

SENATOR KENNEDY: If there is any questions, I will be happy to answer them.

PRESIDENT: Seeing no discussion, the question is, shall the bill be introduced. Record your vote. Have you voted? Record.

SENATOR KENNEDY: Thank you.

CLERK: 30 ayes, 2 nays, Mr. President.

PRESIDENT: Motion carries.

CLERK: New bill, LB 973, introduced by the Public Health and Welfare Committee and signed by the members thereof. Read title. See pages 383, 384, Journal. That is all, Mr. President.

CLERK: LB 413. There were no E & R amendments on it. Senator DeCamp has offered a set of amendments to 413 which are found on page 255 of the Legislative Journal.

PRESIDENT: Does anyone wish to be heard on this? Senator DeCamp.

CLERK: It is a DeCamp motion to amend 413 found on page 255.

I understand the Liquor Commission also wants it. At the present time, the law says that if no objection is filed, then the Liquor Commission has to issue a license or it says they shall issue a license and all this does is change it to may, so that, if on its own, or even though no objection is filed, they can still make their own judgment and deter-
